

Road to IELTS is your best possible online preparation and practice resource for IELTS. With over 120 hours of interactive activities. advice videos from British Council experts and hints and tips on question types, as well as downloadable practice tests, it is comprehensive, up-to-date and aimed precisely at the challenges candidates face.

The four key elements are:

- 1 Starting out: an eBook introduces each paper and explains the task types.
- Advice and tutorial videos: experts describe the 2 best strategies for preparing for IELTS.
- 3 Practice zone: candidates practise tackling the whole range of question types.
- 4 Test practice: candidates simulate the test experience with mock papers.

As candidates work through Road to IELTS, the My Progress function enables them to monitor their activity across sessions, analyse the way they are spending their time and compare their performance with other online users. They can even predict their band scores in the Reading and Listening tests using an interactive widget.

Most candidates need all the help they can get while preparing for this crucial test. A recent study of more than 100,000 independent learners concludes that Road to IELTS does help candidates perform significantly better.

Give your candidates the unique advantage they deserve with the British Council's Road to IELTS.
