ROAD TO IELTS
IELTS preparation and practice

BRITISH COUNCIL **Clarity**

Academic syllabus

Introduction

Road to IELTS consists of four sections: Reading, Listening, Speaking and Writing. Each one has four different parts: Starting out, Advice and tutorials, Practice zone and Test practice. This syllabus documents outline content of each sections.

Starting out   1

Whether you are taking the IELTS test for the first time or re-taking the test, it is important to go over the key facts about the modules. Use the eBooks and introduction videos in this section to learn about different task types and kick-start your IELTS preparation.

Advice and tutorials   2

Watch the tutorial videos created by British Council IELTS experts to get an in-dept understanding of the test. Other than the explanation for each task type, you will also find important hints and tips for each paper.

Practice zone   3

This section includes over 300 interactive activities which allow you to put theory into practice. In these activities, you can also make use of the instant feedback function and test tips written by IELTS experts.

Test practice   4

Finally, you can put your IELTS knowledge and English proficiency to the test by taking the 18 complete practice tests found in this section (Reading, Writing and Listening). Record your speech in the simulated Speaking Part 2 practice and improve your next performance with the self-reflection guide.

Organise your preparation

Candidates videos
Watch how other candidates prepare for the different modules in IELTS.

Study Planner
Use this worksheet to plan your IELTS preparation so you can spend your prep time in the most efficient way.

Study Guides
6 downloadable study guides to answer common IELTS FAQs.
